Conditions of Sale

HUD Case No.

- A. All assessments, including improvement assessments which are available for payment without interest or penalty for advance payment, taxes, rent, and ground rent, if any, shall be prorated as of the closing date.
- B. Seller makes no representations or warranties concerning the condition of the property, including but not limited to mechanical systems, dry basement, foundation, structural, or compliance with code, zoning or building requirements and will make no repairs to the property after execution of this contract. Purchaser understands that regardless of whether the property is being financed with an FHA-insured mortgage, Seller does not guarantee or warrant that the property is free of visible or hidden structural defects, termite damage, lead-based paint, or any other condition that may render the property uninhabitable or otherwise unusable. Purchaser acknowledges responsibility for taking such action as it believes necessary to satisfy itself that the property is in a condition acceptable to it, of laws, regulations and ordinances affecting the property, and agrees to accept the property in the condition existing on the date of this contract. It is important for Purchaser to have a home inspection performed on the property in order to identify any possible defects. If FHA insured financing is used, up to \$200 of the cost to perform the inspection may be financed into the mortgage. Names of home inspection companies can be found in the yellow pages of your telephone directory under the heading "Home Inspection Services."**
- C. If financing is involved in this transaction (Item 4), Purchaser agrees that should he/she/it fail to provide documentation indicating that proper loan application was made in good faith within 10 calendar days of the date this contract was accepted by Seller, and/or thereafter otherwise to put forth good faith efforts to obtain necessary financing, Seller shall have the option of rescinding this contract and retaining all or a portion of Purchaser's earnest money deposit.
- D. Seller may rescind this contract and return all or a portion of Purchaser's earnest money deposit under the following conditions:
1. Seller has not acquired the property.
 2. Seller is unable or unwilling to remove valid objections to the title prior to closing.
 3. Seller determines that purchaser is not an acceptable borrower.
- Tender of the deposit shall release the Seller from any and all claims arising from this transaction.
- E. Purchaser may not perform repairs nor take possession of the property until sale is closed. Risk of loss or damage is assumed by Seller until sale is closed, unless Purchaser takes possession of the property prior thereto, in which case State law shall apply. (1) If sale involves FHA insured financing and after damage the property no longer meets the intent of Minimum Property Standards (MPS), Seller may, at its option, perform repairs or cancel the contract and return Purchaser's full earnest money deposit. If, after damage, the property still meets the intent of MPS, Purchaser has the option of accepting the property as-is, with a purchase price adjustment at Seller's sole discretion, or cancelling the contract and receiving refund of full earnest money deposit. (2) If sale does not involve FHA insured financing, Seller will not repair damage but may, at Seller's sole discretion, reduce the sale price. Purchaser has option to cancel the contract and receive refund of full earnest money deposit. Tender of the earnest money shall release Seller from any claims arising from this transaction.
- F. If this property is being offered with FHA insured mortgage financing available, Seller's acceptance of this contract constitutes a commitment to insure, conditioned upon Purchaser being determined by Seller or Direct Endorsement Underwriter to be an acceptable borrower and further conditioned upon Seller's authority to insure the mortgage at the time the sale is closed.
- G. Purchaser understands that Seller's listing price is Seller's estimate of current fair market value.**
- H. No member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit that may arise therefrom, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.
- I. Purchaser and Seller agree that this contract shall be binding upon their respective heirs, executors, administrators, successors or assigns but is assignable only by written consent of the Seller.
- J. If this property was constructed prior to 1978, Seller has inspected for defective paint surfaces (defined as cracking, scaling, chipping, peeling or loose paint on all interior and exterior surfaces). Seller's inspection found no defective paint surfaces, or if defective paint surfaces were found, Seller has treated or will treat such defective surfaces in a manner prescribed by Seller prior to closing. **Purchaser understands and agrees that the Seller's inspection and/or treatment is not intended to, nor does it guarantee or warrant that all lead-based paint and all potential lead-based paint hazards have been eliminated from this property.** Purchaser acknowledges that he/she/it has received a copy of a pamphlet which discusses lead-based paint hazards and has signed, on or before the date of this contract, the Lead-Based Paint Addendum to Sales Contract - Property Built Before 1978. Purchaser understands that the Lead-Based Paint Addendum must be signed by all Purchasers and forwarded to Seller *with* this contract. Contracts which are not in conformance with these requirements will not be accepted by Seller.
- K. The effective date of this contract is the date it is accepted (signed) by the Seller.
- L. If the amount stated in Item 5 exceeds actual and typical financing and/or closing costs, such excess shall not be paid by Seller and may not be used by Purchaser to reduce amount(s) due Seller.
- M. Seller's policies and requirements with regard to earnest money (including forfeiture thereof), extensions of time in which to close the sale, back-up offers, and allowable financing and/or closing costs are detailed in instructions issued to selling brokers.
- N. Seller makes no representations or guarantees that the property will, in the future, be eligible for FHA insured mortgage financing, regardless of its condition or the repairs which may be made.
- O. Warning: Falsifying information on this or any other form of the Department of Housing and Urban Development is felony. It is punishable by a fine not to exceed \$250,000 and/or a prison sentence of not more than two years. (18 U.S.C. 1010, 3559; 3571)**

For Your Protection: Get a Home Inspection

Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- ✓ Evaluate the physical condition: structure, construction, and mechanical systems;
- ✓ Identify items that need to be repaired or replaced; and
- ✓ Estimate the remaining useful life of the major systems, equipment, structure, and finishes.

Appraisals are Different from Home Inspections

An appraisal is different from a home inspection. Appraisals are for lenders; home inspections are for buyers. An appraisal is required to:

- ✓ Estimate the market value of a house;
- ✓ Make sure that the house meets FHA minimum property standards/requirements; and
- ✓ Make sure that the property is marketable.

FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA can not give or lend you money for repairs, and FHA can not buy the home back from you. That is why it is so important for you, the buyer, to get an independent home inspection. Ask a qualified home inspector to inspect your potential new home and give you the information you need to make a wise decision.

Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the toll-free National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236. As with a home inspection, if you decide to test for radon, you may do so before signing your contract, or you may do so after signing the contract as long as your contract states the sale of the home depends on your satisfaction with the results of the radon test.

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

CONDITION OF PROPERTY

HUD makes no representations or warranties concerning the condition of this property, including, but not limited to, mechanical and operating systems (electrical, plumbing, sewage, kitchen appliances, heating and air conditioning), dry basement, roof, structural condition, or compliance with local codes, zoning, or building requirements.

HUD will authorize NO repairs to this property after the closing date. The prohibition of repairs, regardless of the nature or severity of a defect or code violation, extends to all latent (unknown) defects or code violations discovered at any time, including after the closing date. Purchaser(s) are fully responsible for satisfying themselves as to the full condition of this property and any laws, regulations or ordinances affecting this property.

THE IMPORTANCE OF A HOME INSPECTION

HUD does not warrant the condition of a property. It is important for you to have a home inspection performed on the property you wish to purchase in order to identify any possible defects. Up to \$200 of the cost to perform the inspection may be financed into your mortgage. Names of home inspection companies can be found in the yellow pages of your telephone directory under the heading "Home Inspection Services".

15-DAY CONTRACT CANCELLATION CONTINGENCY FOR CONTRACTS REQUESTING FHA INSURED FINANCING

Purchaser(s) may request that the Sales Contract be canceled if, within 15 days of HUD's preliminary acceptance, the property is inspected by a professional home inspector who discovers a structural, roof, system defect, or non-compliance with local codes, zoning, or building requirements that HUD elects not to correct, or if within such 15 day period, the property is inspected for the presence of radon by a professional radon inspector to an extent unsatisfactory to you. A copy of the property inspection report, or radon test report, as applicable, must be attached to the cancellation request.

The cancellation contingency is limited to structural, roof, defective components within the mechanical and operating systems (which include the electrical, plumbing, sewage, heating and air conditioning systems only) or noncompliance with local codes, zoning, or building requirements. Kitchen appliances, window air conditioner units, light fixtures, receptacles and switch covers are not included in the operating systems. Equipment age or energy efficiency ratings are not included in the cancellation contingency. The earnest money deposit will be returned ONLY if HUD concurs with the home inspection report finding(s).

APPLICABLE TO SALES INVOLVING 203K FINANCING

The purchaser agrees to make all additional improvements as required by HUD or the lender, provided the improvements are intended to bring the property into compliance with the architectural exhibits submitted to the certified 203k lender or be subject to forfeiture of the earnest money deposit if the property transaction does not close.

OTHER IMPORTANT INFORMATION

The broker/agent will allow me to make a final inspection of this property 48 hours prior to closing. This is an "as-is" sale and HUD will not make repairs after closing. Failure to close may result in forfeiture of earnest money. In case of credit denial, all or part of the earnest money may be refunded. It is the broker/agent's responsibility to submit the credit denial letter to National Home Management Solutions within ten business days. Failure to do so will result in forfeiture of all earnest money. Closing agents will not release funds until processing is completed by the HUD office. Extensions must be requested before expiration of the contract. Contracts will be canceled if requests are made after the expiration. Extension fees are non-refundable. The broker may not give me keys to the property or allow me to occupy or make repairs to the property prior to closing. It is my responsibility to ascertain if Home Owner Association dues are required and the monthly amount of those dues if applicable. If I am employed by the U.S. Department of Housing and Urban Development (HUD), or if I am related by blood, marriage, or law to a HUD employee, I must have prior approval before signing a HUD sales contract.

Broker advises Buyer that Buyer should have an Abstract covering the property examined by an attorney of Buyer's selection or Buyer should be furnished with or obtain a Title Policy. If a Title Policy is to be obtained, Buyer should obtain commitment for Title Insurance (the Commitment) which should be examined by an attorney of Buyer's choice at or prior to closing. All locks should be replaced or re-keyed at Purchaser's expense.

Forfeiture of Earnest Money Policy

HUD Case No.

All HUD Property Disposition sales of HUD-acquired properties are to close within 45 days of acceptance of a HUD-9548 Sales Contract offer to purchase.

Forfeiture of Earnest Money Deposits

The failure of a Purchaser to close on the sales of property within the allowable time period, including any extensions granted by HUD, will result in the forfeiture of the earnest money deposit, except where special circumstances exist and are documented and accepted by HUD.

Investor Purchasers

- **Uninsured Sales** – The purchaser will forfeit 100% of the earnest money deposit for failure to close, regardless of the reason.
- **Insured Sales** – The purchaser will forfeit 50% of the earnest money deposit for failure to close if purchaser is determined by HUD or Direct Endorsement underwriter to be an unacceptable buyer. The purchaser will forfeit 100% of earnest money deposit if sale fails to close for any other reason.

Owner-Occupant Purchasers

- The purchaser will have 100% refund of the earnest money deposit under the following circumstances:
 1. There has been a death in the family (contract holder, spouse, or children living in the same household).
 2. There has been a recent serious illness in the immediate family that has resulted in significant medical expense or substantial loss of income, thus adversely affecting the purchaser's financial ability to close the sale.
 3. There has been a loss of job by one of the primary breadwinners, or substantial loss of income through no fault of the purchaser.
 4. On an insured sale, HUD or a Direct Endorsement underwriter determines that the purchaser is not an acceptable borrower.
 5. On an uninsured sale, the purchaser was pre-approved for mortgage financing in an appropriate amount by a recognized mortgage lender and despite good faith efforts is unable to obtain mortgage financing in a specified dollar amount sufficient to purchase the property.
 6. For other good cause as determined by the field office.
- On an uninsured sale, the purchaser will forfeit 50% of the earnest money deposit where, despite good faith efforts by the purchaser, there is an inability to obtain a mortgage loan from a recognized mortgage lender.
- On either type of sale, the purchaser will forfeit 100% of the deposit in those instances where no documentation is submitted, where the documentation fails to provide an acceptable cause for the buyer's failure to close, or where documentation is not provided within a reasonable time following contract cancellation. National Home Management Solutions must receive the documentation no later than close of business on the tenth day following cancellation of the contract.

Buyer Certification:

I/we acknowledge that I/we have been interviewed, completed a loan application and received a Pre-Qualification letter from an approved lender. I/we have read and understand this policy and will forfeit our earnest money deposit if we enter into this contract without completing the qualification process.
